

LESSON PLAN

For the week of: March 16-20, 2015 | **Teacher:** Mrs. Collins | **Subject:** Honors Algebra 1 | **Grade:** 8

	Monday	Tuesday	Wednesday	Thursday	Friday
Content Standard	1.01d Add, subtract, multiply, and divide polynomials.	1.01d Add, subtract, multiply, and divide polynomials.	Chapter 8 Test	4.03 Graph, factor, and evaluate quadratic functions to solve problems.	4.03 Graph, factor, and evaluate quadratic functions to solve problems.
Biblical Integration	Are you ready for March Madness? What does your spiritual bracket look like?				
Bellwork	No Puzzle	Puzzle	No Puzzle	Puzzle	Puzzle
Instructional Strategies	Students will celebrate Pi Day and work on a study guide.	Students will review Chapter 8 and the study guide in preparation of the test.	Chapter 8 Test	Students will learn to analyze the characteristics of graphs of quadratic functions and graph quadratic functions.	Students will learn to solve and estimate solutions of quadratic equations by graphing.
Homework	Study Guide HW grade due Tuesday	Study for the Chapter 8 Test (Lessons 8.5-8.9)	No HW	pg 550 24 – 48 even	pg 558 10 – 18 even, 22 – 26 even, 30, 32
