

Insufficient Internet Accessibility Homework Form

Please print and complete this form. Once it has been completed, please have your student turn it in to the appropriate math teacher during his/her math class on the day that the assignment listed below is due.

****NOTE: This form is only to be used in cases where the student is not able to access the internet due to technical problems or outages. If a student is involved in an extracurricular activity preventing him/her from having internet access until late in the evening, he/she must make appropriate preparations through the class textbook check-out system beforehand or through the hard copies in the HS Media Center. This form is not valid for any cases where the student was given more than one night to complete the homework assignment.**
